*We are pleased to release the July-September 2022 issue of Workforce, the official newsletter of the Sarawak Skills Development Centre. It features updates on events and happenings in Sarawak Skills.*

**B**uoyed by the success of various strategic initiatives launched in the first half of the year, the third quarter of 2022 was an opportune time for the Sarawak Skills Group of Learning Institutions to extend the reach of our academic, skills, and training programmes across the length and breadth of Sarawak.

As part of our ongoing effort(s) in the area of contributing to the transformation of Sarawak's six key economic sectors (main engines of growth), Sarawak Skills and the National Open College Network (NOCN) Group, United Kingdom entered into a Memorandum of Understanding (MoU) to advance various talent development initiatives. The signing of the MoU was held in conjunction with the visit by His Excellency Charles Hay MVO, British High Commissioner to Malaysia, to the Sarawak Skills Campus at Tabuan Jaya on 19 July 2022. This visit is a testimony to Sarawak Skills' long-established relationship with the British High Commission in Kuala Lumpur. With the formalization of our relationship with the NOCN Group, Sarawak Skills has become an 'NOCN Approved' training organisation, to deliver endorsed programmes and the NOCN range of over 650 Ofqual recognised qualifications and training programmes in line with regulatory conditions.

In August 2022, Sarawak Skills, in collaboration with Sarawak's Ministry of Education, Innovation and Talent Development (MEITD) and the Sarawak State Education Department, organized a Skills Camp in Sri Aman. Indeed, both the Skills Camp and the aforementioned MoU with the NOCN Group are in line with the Sarawak Post Covid-19 Development Strategy 2030 (PCDS 2030).

The Sarawak Skills' Staff Recreational and Sports Club Annual Dinner was held on 2 September 2022 at the Waterfront Hotel, Kuching. It was a night to remember with the presentation of the Best Staff Awards and various fun-filled activities – yes, one of the pillars of Sarawak Skills is the tremendous sense of camaraderie among the management and staff members.

**HALLMAN SABRI**

Executive Director  
Sarawak Skills Development Centre

One of the highlights of the third quarter of 2022 was the launch of the Sarawak Skills' Talent Development Gallery on 14 September 2022 by Yang Berbahagia Tan Sri Datuk Amar (Dr) Haji Abdul Aziz bin Dato Haji Husain, Chairman of the Sarawak Skills Development Centre and Pro-Chancellor of i-CATS University College. The gallery showcases the Sarawak Skills Group of Learning Institutions' (Sarawak Skills) ongoing talent development voyage as a stakeholder in the transformation of Sarawak's socio-economic landscape.

In line with our quest to be ahead of the curve and do our part to shape the Next Normal for the benefit of current and future generations of the workforce, the continued support of our stakeholders comprising the government, various sectors of industry, parents, alumni, students and staff members will be of utmost importance to support our activities.

# British High Commissioner's

## Visit to Sarawak Skills Kuching

His Excellency Charles Hay MVO, British High Commissioner to Malaysia delivers his speech.

The Sarawak Skills Development Centre (Sarawak Skills) and the National Open College Network (NOCN) Group, United Kingdom have entered into a Memorandum of Understanding (MoU) to advance various talent development initiatives. The signing of the MoU was held in conjunction with the visit by His Excellency Charles Hay MVO, British High Commissioner to Malaysia, to the Sarawak Skills Campus at Tabuan Jaya on 19 July 2022.

The signatories of the MoU were Mr. Hallman Sabri, Executive Director of Sarawak Skills and Mr. Tim Dawkins, Head of International Business Development, NOCN Group. His Excellency Charles Hay MVO, British High Commissioner to Malaysia, Mr. Machat Puthur Unnikrishnan, Director and Chief Operating Officer of Lestari Professional Consultancy Sdn. Bhd., and NOCN Group's Representative in Borneo, and Mr. Mohamad Isham bin Fauzi, Chief Commercial Officer (Strategic Engagement and Business Development) of Sarawak Skills witnessed the signing of the MoU.

In his welcoming remarks, Mr Hallman Sabri, Executive Director of the Sarawak Skills Group of Learning Institutions and Chairman of the Federation of Malaysian Skills Development Centres (FMSDC) thanked His Excellency Charles Hay MVO, British High Commissioner to Malaysia for visiting Sarawak Skills and witnessing the signing of the MoU. He shared, "The signing of the MoU between Sarawak Skills and the NOCN Group is a wonderful opportunity for our organizations to synergize our collective expertise and resources to advance the noble cause of Talent Development. Sarawak Skills has a long-established relationship with the British High Commission in Kuala Lumpur. During the World TVET Conference 2015 (main organizer: Sarawak Skills), Her Excellency Vicki Treadell CMG MVO, the previous British High Commissioner to Malaysia, delivered the keynote address during the launching ceremony. In 2017, the British High Commission, Kuala Lumpur also invited Sarawak Skills' officials to participate in a study visit to universities and industries in the United Kingdom to explore strategic tie-ups in Metallurgy and related fields. With the formalization of our relationship, Sarawak Skills and the NOCN Group will work together to raise the awareness and status of training programmes delivered by Sarawak Skills under this arrangement, and develop and deliver new training programmes that increase employability and progression opportunities for the populace in Sarawak. To kick off our

**Group Photo:**

His Excellency Charles Hay MVO (fifth from right), Mr. Hallman Sabri (sixth from right), Mr. Tim Dawkins (fourth from right), Mr. Machat Puthur Unnikrishnan (third from right), Mr. Mohamad Isham bin Fauzi (fifth from left) with officials from the British High Commission, Kuala Lumpur, UNIMAS and Sarawak Skills.

relationship, I am pleased to inform you that the NOCN Group will accredit training programmes delivered by Sarawak Skills. You may be aware that the NOCN Group is a leading UK Awarding organisation, licensed by Ofqual (UK Government). As part of this process, Sarawak Skills has become an 'NOCN Approved' training organisation, to deliver endorsed programmes and the NOCN range of over 650 Ofqual recognised qualifications and training programmes in line with regulatory conditions."

Mr. Hallman also shared, "This latest development is in line with Sarawak Skills' role as a stakeholder in the transformation of Sarawak's socio-economic landscape and is aligned with the Sarawak Post Covid-19 Development Strategy 2030 (PCDS 2030). With the digital economy and hydrogen economy gaining traction in Sarawak, a key area will be the emphasis on digitalization and automation to achieve the objectives of improved efficiency and productivity across Sarawak's main engines of growth (six key economic sectors). An important focus will be sustainable development through renewable energy sources."

Mr. Hallman also emphasized that at Sarawak Skills, a major point of pride is its proven track record in offering globally-recognised programmes from the United Kingdom. This is an important part of the wide range of academic, skills and training programmes offered at Sarawak Skills. Since year 2001, one of the popular programmes is the Pearson BTEC Level 5 HND in Electrical and Electronic Engineering. To date, close to 1,000 students have graduated from the programme with an impressive employability rate, especially in the oil and gas industry.

Sarawak Skills offered the Vocational Diploma in Electrical Power Generation Technology from 2018 to 2021 (funded by the Malaysian Government during this period). Accredited by the Scottish Qualifications Authority (SQA), 198 students graduated from this programme.

The Digital English Solution for TVET Students Programme (PEARSON Digital English) started in October 2021 with the first batch of 127 participants. In June 2022, 223 students registered for the second batch. More students are expected to join the second batch. The programme is funded by the Ministry of Education, Innovation and Talent Development, Sarawak (MEITD).

In his speech, His Excellency Charles Hay MVO, British High Commissioner to Malaysia highlighted, "The UK is internationally recognised for its excellence in education and is a strong supporter of skills development. We are strategically positioned to share skills and best practices to help create a skilled future workforce. This partnership between the National Open College Network Group and Sarawak Skills Development Centre is a great example of how British education providers can contribute to Malaysia's TVET development."

Also present during the aforementioned event were Professor Dr. Ahmad Hata bin Rasit, Deputy Vice-Chancellor (Academic and International), Universiti Malaysia Sarawak (UNIMAS) who represented the Vice-Chancellor of UNIMAS, officials from the British High Commission in Kuala Lumpur and members of the Sarawak Skills Senior Management Team.

Signing of MoU Between Sarawak Skills Development Centre and National Open College Network (NOCN) Group.

# New Gallery Chronicles Sarawak Skills' Ongoing Talent Development Voyage to Contribute to the Transformation of Sarawak's Socio-Economic Landscape

**T**he newly minted Sarawak Skills' Talent Development Gallery showcases the Sarawak Skills Group of Learning Institutions' (Sarawak Skills) ongoing talent development voyage as a stakeholder in the transformation of Sarawak's socio-economic landscape.

Located in the lobby of the Sarawak Skills' Group Corporate Headquarters, Tabuan Jaya, Kuching, the gallery was launched on 14 September 2022 by Yang Berbahagia Tan Sri Datuk Amar (Dr) Haji Abdul Aziz bin Dato Haji Husain, Chairman of the Sarawak Skills Development Centre and Pro-Chancellor of i-CATS University College. As part of this momentous occasion, Tan Sri Datuk Amar (Dr) Haji Abdul Aziz was joined by Mr. Shanton Mowe, Vice Chairman III of the Sarawak Skills Management Council, and Yang Berbahagia Dato Hajjah Maznah binti Haji Dasmi, Secretary of the Sarawak Skills Management Council during the Ribbon-Cutting at the entrance to the gallery. This was followed by the signing of the plaque by Tan Sri Datuk Amar (Dr) Haji Abdul Aziz and a tour of the gallery.

In his welcoming remarks, Mr. Hallman bin Sabri, Executive Director of the Sarawak Skills Group of Learning Institutions and Chairman of the Federation of Malaysian Skills Development Centres (FMSDC) shared, "The Sarawak Skills' Talent Development Gallery chronicles Sarawak Skills' voyage over the past twenty-eight years as a stakeholder in the transformation of Sarawak's vibrant socio-economic landscape. In designing this gallery, we have endeavoured to share on our past, where we are today – the present, and provide a glimpse into our future activities. Indeed, it is our hope that this gallery will be a source of inspiration for current and future generations of educators and learners to advance the noble cause of talent development in tandem with the blistering pace of technological innovation and digital transformation." He added, "During the course of our voyage to equip our students and trainees with industry-relevant skill sets, the support of our stakeholders, namely the government and various sectors of industry, including the tremendous support by our Management Council and Members, as well as staff members have been instrumental to achieve the noble objectives of talent development."

Ribbon-Cutting at the entrance to the Sarawak Skills' Talent Development Gallery.

Tan Sri Datuk Amar (Dr) Haji Abdul Aziz visits the gallery.

Mr. Hallman also highlighted that invaluable experiences acquired during the course of the COVID-19 pandemic in 2020 and 2021 have strengthened Sarawak Skills' resolve, and as a result, the group had spearheaded many strategic initiatives. For example, one of its recent initiatives is the establishment of the Sarawak Skills Industry Driven and Consultative Services Committee. This new committee, one of the strategic committees under the Sarawak Skills Management Council, is an important part of the group to transform itself into a Hub of Industry-Driven Talent Development. This also sets the stage for Sarawak Skills to be a consultant and solution provider of choice to the industries in Sarawak through the provision of consultative services and training in line with industry needs. This will contribute to the transformation of Sarawak's six key economic sectors (main engines of growth) in line with the Sarawak Post Covid-19 Development Strategy 2030 (PCDS 2030).

Following the tour of the gallery, and as part of his opening remarks as he chaired the Sarawak Skills Management Council Meeting, Tan Sri Datuk Amar (Dr) Haji Abdul Aziz commended the management of Sarawak Skills on the establishment of the Sarawak Skills' Talent Development Gallery. He shared that the gallery is a wonderful opportunity for Sarawak Skills to share its history, including various milestones over the years along its Journey of Evolution and Transformation, and the way forward. This would also encourage visitors to learn about the Sarawak Skills Group of Learning Institutions.

Also present during the launch of the gallery were Tuan Hj. Hilmy bin Haji Othman, Treasurer of the Sarawak Skills Management Council, members of the Sarawak Skills Management Council, management and staff members of the Sarawak Skills Group of Learning Institutions.

## OVERWHELMING RESPONSE TO SRI AMAN SKILLS CAMP

**M**ore than two hundred students from SMK Simanggang and SMK Sri Aman participated in a Skills Camp held from 26 to 28 August 2022 in their respective schools. The camp was organized by the Sarawak Skills Development Centre (Sarawak Skills) in collaboration with Sarawak's Ministry of Education, Innovation and Talent Development (MEITD) and the Sarawak State Education Department.

During the three-day programme, instructors from Sarawak Skills Kuching conducted the theory and practical sessions in Electrical Wiring and Smart Farming. Indeed, for the students, the Skills Camp was an introduction to Technical and Vocational Education and Training (TVET) as a gateway to exciting careers, and the importance of Industry Revolution (IR 4.0) technologies in contributing to the development of Sarawak's digital economy.

The guest of honour during the closing ceremony on 28 August 2022 at SMK Sri Aman was Yang Berhormat Datuk Roland Sagah Wee Inn, Minister for Education, Innovation and Talent Development. The text

In his welcoming remarks, Mr. Hallman bin Sabri, Executive Director of the Sarawak Skills Group of Learning Institutions and Chairman of the Federation of Malaysian Skills Development Centres (FMSDC) thanked the Ministry of Education, Innovation and Talent Development (MEITD) and the Sarawak State Education Department for their tremendous support in organizing the Skills Camp. He also shared that Sarawak Skills is committed to supporting the Government to achieve the noble objectives of PCDS 2030. In this respect, Sarawak Skills, with the support of the Government, has embarked on various initiatives to develop an industry-ready workforce to support Sarawak's main engines of growth including the development of the digital economy and hydrogen economy.

One of the highlights of the aforementioned closing ceremony was the Exchange of Memorandum of Understanding (MoU) between Sarawak Skills and the Sri Aman District Education Office. In this respect, Sarawak Skills was represented by Mr. Hallman bin Sabri (Executive Director of the Sarawak Skills Group of Learning Institutions), while the Sri Aman District Education Office was represented by Tuan Haji Abdul Rahman bin Haji Muhiyuddin (Sri Aman District Education Officer). The MoU paves the way for both

Group photo with the participants.

Sixth from left: Mr. Hallman bin Sabri

of his speech was read out by Yang Berhormat Datuk Francis Harden Anak Hollis, Deputy Minister for Education, Innovation, and Talent Development II (Talent Development). In his speech, the Minister emphasized the need for students to be agile/flexible in today's fast-paced digital and technological world. He also highlighted that in line with the Sarawak Post Covid-19 Development Strategy 2030 (PCDS 2030), the students would need to acquire industry-relevant skill sets, including knowledge of how to harness IR 4.0 technologies, to contribute to the transformation of Sarawak's socio-economic landscape.

parties to initiate various joint programmes to prepare today's students in Sri Aman for a wide range of global careers.

Also present during the closing ceremony were Dr. Les Anak Met, Deputy Director (Learning Sector), Sarawak Education Department (represented by Datu Dr. Haji Azhar bin Haji Ahmad, Director of Sarawak Education Department), Mr. Sudirman bin Suratin, Director of the Department of Skills Development (JPK) Sarawak, Tuan Haji Mohamad Lela bin Haji Alamsah, Principal of SMK Sri Aman, and Ms Boo Mee Lian, Principal of SMK Simanggang.
