*We are pleased to release the
July - September 2023 issue of
Workforce, the official newsletter of
the Sarawak Skills Development
Centre. It features updates on events
and happenings in Sarawak Skills.*

One of the key pillars of the Sarawak Skills Group of Learning Institutions (Sarawak Skills) is fostering a culture of creativity among our team members. Yes, our world is ever-changing, and as such, agility and creativity have come to the fore – the vibrant global landscape shapes our worldview, and brings out the best in us.

There were many highlights during the third quarter of 2023 – in a nutshell, we launched various strategic initiatives in line with our role as a stakeholder in the transformation of Sarawak's digital, economic and educational landscape. The election of the Sarawak Skills' Management Council Members for the 2023 – 2026 term took place on 14 August 2023. In this respect, it gives me great pleasure to share that Yang Berbahagia Tan Sri Datuk Amar (Dr) Haji Abdul Aziz bin Dato Haji Husain has been re-elected Chairman of the Sarawak Skills Management Council. With Tan Sri Datuk Amar (Dr) Haji Abdul Aziz at the helm, a number of fresh initiatives are in the pipeline to advance the noble objectives of Talent Development. Among the highlights during the Annual General Meeting were the exchange of Collaboration Agreements, Certificate of Collaboration, and Memoranda of Understanding (MoUs) between Sarawak Skills and its strategic partners.

During the quarter, Sarawak Skills welcomed various international delegations, including dignitaries from Brunei Darussalam, the People's Republic of China and Timor-Leste. These visits pave the way for the various parties to explore opportunities for collaboration covering the broad spectrum of talent development, research, knowledge sharing, new programme development, consultation services, staff and student exchange programmes, cultural exchange programmes, and corporate social responsibility (CSR) programmes.

On 21 September 2023, the Sarawak Skills Group of Learning Institutions received three prestigious awards during the Malaysia Education & TVET Awards Ceremony 2023 in Kuala Lumpur. The awards are an eloquent testimony to Sarawak Skills' unwavering commitment to fly the flag of excellence in post-secondary education, and training for current and future generations of the workforce.

During the quarter, we also celebrated the many achievements of our graduates during the Sarawak Skills and i-CATS University College 25th Convocation. Our graduates from the various skills and academic programmes are highly sought-after by the various industries – our graduates' employability rate of more than 90 percent is an affirmation of the quality and relevance of our courses and programmes in facilitating the development of an agile and future-ready workforce for Sarawak, and Malaysia as a whole.
